

NO	MAC LIQUID DAMAGE REPAIR (Word of advice.)
	If your Mac sustained Liquid damage then
1.	Immediately turn off you Mac.;
2.	If the liquid spilled through the keyboard then keep Your Mac upside down.;
3.	Immediate take your Mac to any service centre to check it out.;
4.	Do not keep your Liquid damage MAC in Rice etc.;
5.	The more quickly you take your MAC to Mac repair centre less will be damage.;
	Avoid Mac repair shops which demand upfront Fees to check your Mac and also if they demand ridiculous repair charges;
